☎ (+886) 955-255-623

📍 Taipei, Taiwan

Education

National Taiwan University

Ph.D. Student, Institute of Ecology and Evolutionary Biology

Advisor: Prof. Po-Ju Ke

Academia Sinica

Master program, Biodiversity center

Advisor: Prof. Wen-Hsiung Li

Soochow University

Bachelor/Master of science in Microbiology

2019-2021, GPA : 3.9/4.3

Research Skills and Expertise

• Research expertise

Microbial ecology; forest ecology; soil fungal communities; plant–soil feedback; spatial community ecology

• Field and laboratory skills

Environmental sampling of soil, coral, and sediment; DNA extraction; PCR; next-generation sequencing workflows

• Data analysis

Microbiome data processing; community ecology and multivariate statistical analysis in R

Experience

• Ph.D. student

The Institute of Ecology and Evolutionary Biology Sep. 2024 - Present

• Research assistant

The Institute of Ecology and Evolutionary Biology April. 2024 – Sep. 2024

• Research assistant

Institute of Fisheries Science, National Taiwan University • Feb. 2022- Feb. 2024

• Research assistant

Institute of Life Sciences, National Chung-Hsing University • Mar. 2021 – Sep. 2021

Awards

• 2025 National Science and Technology Council

Graduate Research Fellowship, National Science and Technology Council, Taiwan

• DIGI+ Digital Talent Award, Industrial Technology Research Institute

Third Place, 2020; Outstanding Award, 2021

• Soochow University Awards

First Place, College of Science Creative Competition; Third Place, Entrepreneurship Competition; Second Place, Undergraduate Thesis Competition

Leadership and Service

- Student representative
- Class representative
- Departmental camp coordinator
- Basketball team captain
- Sports officer
